CLIMATE CHANGE MITIGATION AND ADAPTATION

CIRCULAR ECONOMY AND QUALITY OF LIFE

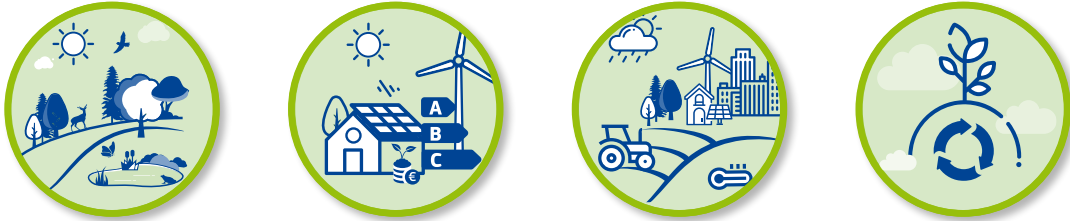

Who can apply?

Any public or private organisation registered in the European Union and entities in countries associated with the LIFE programme.

How to apply

Go to the European Commission's [funding & tender opportunities portal](#) where you will find information on LIFE Calls for proposals as well as further instructions on how to submit your application.

We welcome projects that:

- Protect Europe's nature by halting and reversing biodiversity decline.
- Accelerate the clean energy transition through a greater uptake of energy efficiency and renewable energy solutions.
- Cut greenhouse gas emissions, increase climate change resilience and boost awareness of climate change mitigation.
- Enhance the circular economy through new technologies and solutions.
- Protect, restore and improve the environment and as a result, people's life quality.

Key dates

For all four sub-programmes, there is a single-stage application process – no concept note is required.
